

**DIEGO B. SADLER, MD, F.A.C.C.**  
**CURRICULUM VITAE**

**PROFESSIONAL ADDRESS:**

Cardiology Associates of Palm Beach  
1401 Forum Way, Suite 300. West Palm Beach, FL 33401.  
Phone: (561) 478-1104

**CURRENT POSITION:**

Clinical Cardiology, Nuclear Cardiology, Partner, Cardiology Associates  
of Palm Beach

**HOSPITAL APPOINTMENT:**

Medical Executive Committee, JFK Hospital, 2004-2005

**MEDICAL EDUCATION:**

**1978-83:** University of Buenos Aires School of Medicine. Degree: M.D.

**POST-GRADUATE TRAINING:**

**1994-97:**Fellow, Cardiology. University of Massachusetts Medical  
Center.

Worcester, MA.

**1994-97:**Instructor in Medicine.University of Massachusetts Medical  
Center. Worcester, MA.

**1992-94:**Resident,Internal Medicine. St.Luke's-Roosevelt Hospital

Center.St.Luke's Division. New York, NY

**1989-92:**Research Fellow in Cardiology.

College of Physicians and Surgeons,Columbia University/Harlem Hospital  
Center. New York, NY.

**1988-89:**Echocardiography Fellow, and Annual Course, Argentine  
Society of Cardiology, Echocardiography Council. Hospital Italiano,  
Buenos Aires, Argentina.

**1985-88:**Resident, Cardiology Hospital Italiano, Buenos Aires, Argentina.

**1984-85:**Resident, Internal Medicine Hospital Italiano, Buenos Aires,  
Argentina.

### **CERTIFICATION/ LICENSE:**

**American Board of Internal Medicine:** Board Certified-1995  
Recertified 12-2005

**American Board of Internal Medicine, Cardiovascular Disease:**  
Board Certified-1997

**American Society of Nuclear Cardiology,** Board Certified-1999

**Massachusetts, Inactive**

**Florida License, Active**

### **ACADEMIC AWARDS:**

Honor Degree, issued by University of Buenos Aires School of Medicine.  
Buenos Aires, Argentina, 1983.

#### **MEMBERSHIPS IN PROFESSIONAL SOCIETIES**

**Fellow American College of Cardiology.**  
**American Medical Association.**  
**Palm Beach County Medical Society**  
**Florida Medical Society.**  
**American Society of Nuclear Cardiology**  
**American College of Physicians**

#### **CURRENT HOSPITAL AFFILIATIONS**

**J.F.K. Hospital, Atlantis, Florida. Active Staff.**  
**Good Samaritan Medical Center- West Palm Beach, Florida,**  
**Active Staff.**

#### **PRESENTATIONS AT NATIONAL/INTERNATIONAL MEETINGS**

·"Effects of diabetes with or without hypertension in the genesis of left ventricular hypertrophy

in the rat." **45th Annual Scientific Session. American College of Cardiology.** Orlando (Fla), March 1996.

·"Hypertensives with concentric remodeling have depressed chamber, pump and myocardial function in the absence of left ventricular hypertrophy." **68th Annual Scientific Sessions of the American Heart Association.** Anaheim, California. November 1995.

·"Role of Transesophageal echocardiography in the assessment of non-hemorrhagic stroke". **15th Congress of the European Society of Cardiology.** Nice, France. September 1993.

·"Is computed tomography useful in identifying stroke patients with a positive transesophageal echocardiography study?". **65th Annual Scientific Sessions of the American Heart Association.** New Orleans, Louisiana. November 1992.

·"Is transesophageal echocardiography useful in the routine assessment of patients after non-hemorrhagic cerebrovascular events". **Third Annual Scientific Sessions. American Society of Echocardiography.** Boston, Massachusetts. June 1992.

·"Left and right ventricular diastolic filling indexes in systemic hypertension: relationship to left ventricular mass". **Seventh scientific meeting of The American Society of Hypertension.** New York, NY. May 1992.

·"Left atrial thrombi in non-rheumatic atrial fibrillation: Assessment of prevalence by transesophageal echocardiography". **64th Annual Scientific Sessions of the American Heart Association.** Anaheim, California. November 1991.

·"Left Ventricular mass-diastolic filling abnormalities relationship in systemic hypertension". **XIII Congress of the European Society of Cardiology.** Amsterdam, The Netherlands. August 1991.

·"Impact of hemodialysis on left and right ventricular Doppler diastolic filling indices". **Annual Scientific Sessions. American Federation for Clinical Research.** Seattle, Wa. May 1991.

·"Detection of intracardiac source of embolism by transesophageal echocardiography in stroke patients". **40th Annual Scientific Session. American College of Cardiology.** Atlanta, Ga. March 1991.

·"2-D Echocardiogram in acute myocardial infarction: prognostic value for the first year of follow-up". **XVII Argentine Congress of Cardiology.** Buenos Aires, Argentina. October 1987.
